EBCTV News...

The EBCTV Board of Directors has not yet scheduled their next regular Executive Board Meeting. The meetings usually take place in the EBCTV Studio @ East Bridgewater High School on the First Floor. The Board discusses relevant issues such as the upcoming Cable Company Franchise License renewal, problems, and upcoming EBCTV Events. As always, the public was invited to attend. A new date for the next meeting has not yet been set. Stay tuned to this weekly newsletter for details of the next meeting.

A new addition to the EBCTV E-News and the EBCTV website at www.ebctv.org It's the updated Educational Access TV Schedule. Thanks to Princeton Server Group and some slight re-designs by Russ there is now a more up to date version of the Educational Channel's TV Schedule. You can find the new

schedule at the bottom of this newsletter and at the bottom of the main website page by clicking on [“Channel 98.”](#) We hope you enjoy the modifications.

The SALT Talks continued at the East Bridgewater Commercial Club this past Thursday but they had nothing to do with Strategic Arms Limitations Talks. It was **Seniors And Law enforcement working Together’s Annual Breakfast** and this year the guests included a representative from the Federal Communications Commission and Comcast Cablevision. The folks from Comcast and the FCC came by to speak with seniors and demystify the transition from Analog Television to Digital Television in February of 2009. The FCC offered information for Seniors who were still using rabbit ears or aerial antennas to receive over the air TV stations. Comcast was there to assure local customers that there would be no interruption in service as Cable customers everything would be just as before but with better picture quality in both cases. Plymouth County District Attorney Timothy Cruz was also on hand to speak with Seniors Citizens about safety at home. Here are some pictures from the recent Breakfast:

EBCTV will be producing a “Special” from this Breakfast which will air on EBCTV later this month so stay tuned to this email for it’s premiere and telecast dates later this month.

Also note that old copies of the EBCTV E-News can be downloaded from the EBCTV Website by clicking on the [EBCTV ENews](#) towards the bottom of the page. The documents are stored as easy to open and use PDF’s.

EBHS-EBCTV Club Activities...

THE MOOSE IS ON THE LOOSE!!!! The EBCTV Club is an East Bridgewater High School Extra Curricular Club open to all EBHS Students. The club teaches students media literacy through hands-on activities. Students help create programming and, during the school year, write & producer their own weekly newscast.

The Club did NOT hold their regular weekly meeting this past Tuesday due to Election Day events. The Club Executive Board (Chris, Destinee & Maggie) did meet on Monday afternoon to finalize details for Wednesday's Newscast. There would be a field story on the Central School Kids Halloween Tour of Town Hall and an Election night interview with Town Clerk Marcia Weidenfeller. It was decided that since there would be no FULL CLUB MEETING this week that Club members would simply do the same jobs they did on the previous week. Destinee was the Sports Reporter again for this week and Erik Stowe was also weatherperson again. Kevin McPartlin was sent out as a field reporter for the story on the Halloween Town Hall Tour for the Central School Children. Ken Frey was again field reporter covering the Tuesday Election Night highlights. Jordan Conroy was again assigned as the Co-Anchor with Chris.

Club Members also assisted with the taping of this past Monday's Vikings Soccer Game vs the Whitman/Hanson Team at Whitman Hanson High School. Senior Volunteers Barbara Geddis & Bob Taylor assisted with field camera work and Myles Heger, Tyler Fiumara and Tony Costello did the play by play of the game. Since there was no meeting no Member was named as Club Member for this Week. Here are some pictures from this past week's activities:

Sponsors Wanted...

Welcome to a new section of the EBCTV E-News. In this section we will post information about Public, Educational, and Government Access Shows Produced at other Access Facilities. The Producers of these shows (historically known as "Bicycled Tapes") are looking for local residents of East Bridgewater, who are members of EBCTV, to sponsor their shows.

There is a new show being produced at Wareham Access Television called "Talk & Roll". The program features interviews with Rock & Roll Bands from the 50's 60's & 70's and the music that made them great. It's an orphan right now and it's looking for a sponsor. It's a monthly show and comes highly recommended from the WATV's Executive Director. Russ has a DVD of the program if you'd like to borrow it and review it in case you're interested in reviewing it.

No MONEY is involved in sponsoring a show. IT'S FREE! Sponsorship simply means that the resident is willing to become the local contact for THAT program and, if necessary, arrange for pick up or delivery of disc's to EBCTV. One caveat, sponsors are legally responsible for the content of the show they are sponsoring but don't let this scare you. There are already tons of shows being sponsored on EBCTV such as: Physician Focus, Pet Zone, Army Newswatch, Pure Heart Clear Mind and so on...

So don't let that part scare you. If you're not sure whether you want to sponsor a show then simply ask the producer to give you/mail you a copy of the show so that you can preview it before you decide. It's a fun way of being active at EBCTV and getting the types of shows you want to see on YOUR Community Access Station.

VOLUNTEER EDITORS ALWAYS NEEDED!!!!

East Bridgewater Community Television WANTS YOU! Are you a trained Non-Linear Editor with nothing to work on? Well here's your chance to get involved! EBCTV has tons of projects looking for editors to finish them. Help out your fellow producers! Contact Russ to see the list of projects now underway!

News About (P.E.G.)

PUBLIC, EDUCATIONAL & GOVERNMENT ACCESS TELEVISION:

East Bridgewater Cable Advisory Board Holds Ascertainment Hearing in Packed Room

By Russ Hannagan

This past Tuesday, October 28th the East Bridgewater Cable Advisory Board held their Ascertainment Hearing at the Main Conference Room (Selectmen Chamber) at Town Hall. The purpose of the Hearing was to get input from resident/subscribers regarding what they like and don't like about their Comcast Service.

The room was packed beyond capacity with PRO-P.E.G. Access People. They were there to convince Comcast that the community meant business when they said they wanted P.E.G. Access to remain in East Bridgewater and flourish (Public Educational Government Access Television). Residents, Producers, and Cable Subscribers all had the opportunity to speak on the issue. A variety of topics were covered including equipment improvements, facility improvements and enhancements and staff augmentations. Members and residents also spoke about how important P.E.G. Access was to them and the community.

Comcast Representative Cathy Maloney was there to listen to the Town's Residents and make note of what they wanted. She spoke briefly at the end of the hearing. According to Ms Maloney and the EB Cable Advisory Board, the process will now continue as both Comcast & the C-A-B continue to ascertain the needs of the community. The current cable contract ends in December of 2009. The East Bridgewater Cable Advisory Board is optimistic that the contract can be renewed prior to the end of the current contract.
