## *EBHS-EBCTV Club Activities...*

**THE MOOSE IS ON THE LOOSE!!!!** The EBCTV Club is an East Bridgewater High School Extra Curricular Club open to all EBHS Students. The club teaches students media literacy through hands-on activities. Students help create programming and, during the school year, write & producer their own weekly newscast.

Club Members held their regular meeting on Tuesday after school. The EBCTV Club Executive Board met on Monday afternoon to plan the Agenda for Tuesday's Meeting and assign newscast duties for Wednesday. A Story on the Ugly Sweater Contest by the School Senate was assigned to Ken Frey as field reporter and Tom Woodbury was given an interview of a member of the National Honor Society about their Annual Veterans' Gift Program for his field report. At Tuesday's Full Club meeting Members were given their newscast assignments. Kevin McPartlin was assigned as Sportscaster and Destinee Augustine was the Meteorologist for the last newscast of 2008. There was some discussion about Friday's Holiday Party with the Yankee Swap & BYOS (Bring your Own Snack). Anne promised her fantastic Tacos for the kids! No Yankee Swap gift would be over \$5.00 so the kids wouldn't spend too much.

Club Members also participated in the taping of the Tri-Town "Bridgewater Citizens Police Academy" featuring members of the S-R-T (Satucket Response Team aka a Special Weapons & Tactics Team). Due to the Snow Storm on Friday, the Club's Holiday Party had to be postponed until after Holiday break but the kids did enjoy an additional day off from school on Friday due to the storm. Here are some pictures from recent Club activities:

# EBCTV Wish List. . .

Welcome to an OLD section of the EBCTV E-News. In the past, in this section we have posted requests for donations. Thankfully EBCTV Members have graciously assisted us with donations (NOT MONEY, although we'd never turn that down too). What we REALLY wish for these days (besides a new contract with Comcast) is a new/used Microwave. Our old Microwave is now Ka-put! It died. Oh sure, the light comes on but the tray no longer rotates and you'd have more luck holding a match under your food to heat it that way then using the old microwave. Anyway, it was thanks to an EBCTV E-News Reader that we got the wonderful donation of a microwave. It doesn't have to be new and we'll even take a dinged up one (it does have to work though!). Being a 501-C-3 Non Profit, this would also be considered a donation

and we will give you a letter for the IRS. So if you have an old Microwave laying around somewhere. Then here is your chance to help a good cause and clear some space in the attic or basement! Here's a picture of what we're hoping for:

### **VOLUNTEER EDITORS ALWAYS NEEDED!!!!**

East Bridgewater Community Television WANTS YOU! Are you a trained Non-Linear Editor with nothing to work on? Well here's your chance to get involved! EBCTV has tons of projects looking for editors to finish them. Help out your fellow producers! Contact Russ to see the list of projects now underway!

## News About (P.E.G.)

## PUBLIC, EDUCATIONAL & GOVERNMENT ACCESS TELEVISION:

**I wish I had more cheerful news to give you during the Holiday Season but the Battle to Save Electronic Freedom of Speech Continues:**

### **ABC NIGHTLINE EXPOSÉ ON FULL DISCLOSURE Campaign to Save the Public Access Channels Video Blog**

Time: 7:11 min. Release Date: Dec 17, 2008

Los Angeles, CA. The Full Disclosure Network® presents a five minute exclusive video report on the ABC Nightline segment videotaped Tuesday, December 16th covering the campaign to save the public access cable channels. The ABC segment will air nationwide on January 9, 2009 at 11:30 p.m.

Host Leslie Dutton tells Nightline that the independent producers' have begun a letter writing campaign to enlist the California Attorney General Edmund G. Brown, Jr. to file for emergency injunctive relief to stop Time Warner Cable from shutting down 14 public access studios and channels on December 31, 2008.

These public channels been serving cable subscribers and producers in Los Angeles for over 25 years.

Among the groups and individuals sending letters to the Attorney General are:

Los Angeles Public Access Coalition, David Hernandez, President

The Caucus of Producers, Writers, Directors & the New Media

Full Disclosure Network, Leslie Dutton

PEG Access Support Groups: [alliance-announce@lists.alliancecm.org](mailto:alliance-announce@lists.alliancecm.org); [access-forum@lists.alliancecm.org](mailto:access-forum@lists.alliancecm.org); [ACM-West@yahoogroups.com](mailto:ACM-West@yahoogroups.com)

With the apparent backing of Mayor Antonio Villaraigosa the public access issue languished, without Council attention or concern, for almost two years until the Time Warner deadline approached and the Holiday Season arrived. When the City Council approved plans to consolidate the 14 public access cable channels into four channels under government control, they failed to provide for even one dedicated public channel. Instead they approved an “after thought”, verbal motion that was sent to the Budget and Finance Committee requesting an investigation into possible funding. No date has been set for a hearing before the Budget & Finance Committee, nor is it know if there search for funding has begun. See Council file here: [http://clkrep.lacity.org/onlinedocs/2006/06-2818\\_ca\\_12-03-08.pdf](http://clkrep.lacity.org/onlinedocs/2006/06-2818_ca_12-03-08.pdf)

At the end of the video viewers are asked to click on the link below the video where they can send an automated letter to the California Attorney General urging him to file for injunctive relief under the Business & Professions code 17200, Sec. 3 Here is the Link to the video mentioned in this article-----
