EBCTV News...

The New EBCTV Character Generator from Great Northern is here! The unit replaced the nearly 20 year old Amiga Character generator in the EBCTV

Control room. The new machine has over 400,000 art objects, 3,000 different types of fonts, 300 backgrounds and 100 textures. This unit dramatically improves the graphics for TV show produced in our studio and already we have used it for a Tv98 News Update Newscast and a Bi-weekly School Committee Meeting. The machine is extremely user friendly, which means our producers love it! EBCTV is hoping to have it installed and operational in time for this Thursday's School Committee Meeting. Here a look at the unit:

Here's the advertised picture:

Here's what it looks like at EBCTV:

“Water is Life” according to the Movie “Dune” and now EBCTV has it's own supply of water for guests and Producers. Thanks to the EBCTV Board of Directors, EBCTV now has it's own water Cooler from Poland Springs. So if you're thirsty drop by and have a clean crisp drink!

The EBCTV Board of Directors has scheduled its next Meeting for Friday, March 7th at 7 pm at EBCTV's Studio located within East Bridgewater High School on the first floor. As always the public is welcome to attend.

THE MOOSE IS ON THE LOOSE! The Club met this past week on Tuesday to plan their weekly newscast. Club President Chris DeMolles ran the meeting with a newly assembled agenda that he & Club VP Myles Heger planned with the Club Advisor. The Club voted on a new disciplinary policy for infractions and also discussed possible club fundraisers for the future. The Club also planned for their weekly newscast on Wednesday.

Club VP Myles Heger assigned members to newscast positions. Tom W. was co-anchor with Chris, Tyler C. was this week's weather forecaster, Myles reported on sports but Destinee did a special Sports inter with a member of the EAB Hockey Team. The field reporters for this week were Ken and Maggie.

The Club also participated in coverage of this week's School Committee Meeting and Monday Night's Special Town Meeting. The Club Members were also the first ones to utilize the brand new Character Generator for Studio productions for the newscast and school committee meeting. Here are some pictures of recent club activities:

Sponsors Wanted...

Welcome to a new section of the EBCTV E-News. In this section we will post information about Public, Educational, and Government Access Shows Produced at other Access Facilities. The Producers of these shows (historically known as "Bicycled Tapes") are looking for local residents of East Bridgewater, who are members of EBCTV, to sponsor their shows.

No MONEY is involved in sponsoring a show. IT'S FREE! Sponsorship simply means that the resident is willing to become the local contact for THAT program and, if necessary, arrange for pick up or delivery of disc's to EBCTV. One caveat, sponsors are legally responsible for the content of the show they are sponsoring but don't let this scare you. There are already tons of shows being sponsored on EBCTV such as: Physician Focus, Pet Zone, Army Newswatch, Pure Heart Clear Mind and so on... Here is a show looking for a sponsor:

There are no new shows requesting sponsorship at this time. Stay tune to this email for future programs!

So don't let that part scare you. If you're not sure whether you want to sponsor a show then simply ask the producer to give you/mail you a copy of the show so that you can preview it before you decide. It's a fun way of being active at EBCTV and getting the types of shows you want to see on YOUR Community Access Station.

VOLUNTEER EDITORS ALWAYS NEEDED!!!!

East Bridgewater Community Television WANTS YOU! Are you a trained Non-Linear Editor with nothing to work on? Well here's your chance to get involved! EBCTV has tons of projects looking for editors to finish them. Help out your fellow producers! Contact Russ to see the list of projects now underway!

PUBLIC, EDUCATIONAL & GOVERNMENT ACCESS TELEVISION:

Newbury officials blast Comcast, cite lack of public programming By Victor Tine

Published: February 28, 2008 06:59 am

NEWBURY --- The town is being short-changed by cable TV giant Comcast on its public access programming, according to the Chairman of Newbury's Cable TV Advisory Committee. Chairman Paul Daubitz and committee member Douglas Packer told Selectmen this week that they have been "stonewalled" in efforts to get Comcast to put up adequate funding for local programming. Newbury's latest 10-year contract with Comcast expired in October 2006, and the town and company have been attempting to come up with a new agreement.

"We don't feel that Comcast is negotiating with us in a meaningful way," Daubitz said at a Tuesday evening "public ascertainment hearing" aimed at learning what local services residents want and need.

With heavy, wet snow falling outside, only one local resident made it to Town Hall for the hearing, but selectmen Chairman Vincent Russo said he would accept public comment for another 28 days, which works out to March 25. No one from Comcast attended. Daubitz said the company closed its Newburyport studio and referred Newbury instead to its Amesbury facility, which he said was inconveniently located.

He also said Comcast offered to budget only one-half of 1 percent of its Newbury-derived revenue to fund local programming, while Newburyport receives 4 percent. The Cable Advisory Committee is interested in telecasting local meetings, such as those of the Triton Regional School Committee, and generating original programs.

Comcast officials have told the committee that Newbury residents are not interested in raising their cable bills to pay for local programming, Packer said. Daubitz estimated it would cost \$70,000 to buy the equipment needed to do local public access programming.

He said Newbury is a "multimillion dollar cash cow for Comcast." Ninety-five percent of the households in town are connected to cable TV, he said, with bills averaging \$100 to \$150 per month each.

He said Comcast could underwrite the local access programming component itself, without adding to individual customers' bills. Daubitz said Comcast had saved money by closing the Newburyport studio but had not passed the savings on to customers. Instead, he said, the company has told negotiators for the town that a half-percent is its only offer and to "take it or leave it."

"These people are impossible," Packer said of Comcast representatives. "Not difficult, impossible." Daubitz said he has tried to entice Verizon to bring its new cable service to Newbury, but company officials have said they are not ready to do that.

Packer said the only incentive for Comcast to improve its public programming is for individual Newbury subscribers to cancel their service. Selectman Joseph Story suggested holding public meetings for residents to explain what other options were available, such as satellite television service. The lone resident to offer testimony in the hearing, Steven St. Arnault of Central Street, said public access TV "contributes to the transparency of the local government process."

Written or e-mail comments will be accepted until March 25. Written comments should be addressed to the Board of Selectmen, Town Hall, 25 High Road, Newbury, MA 01951. E-mail comments should be addressed to selectmen@townofnewbury.org.
