EBCTV Club

The Club continues with its production of ***Tv98 News Update***. The students learn all aspects of news production by being assigned positions on a rotating basis - anchor, weather, camera, tech director, CG operator and teleprompter operator. In addition, students also learn how to do field reporting by going out and taping their news stories in advance of the newscast.

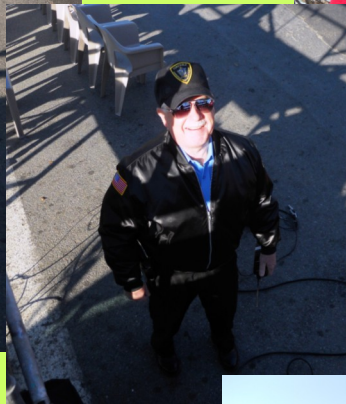

The next meeting of the Club will take place on Monday, December 12 at 2 p.m. in the EBCTV Studios. Thanks also to Summer Teen Camp member Bridget Anderson with her assistance at the recent news taping!

We had assistance with this past Saturday's Christmas on the Common Parade from Club members Zack, Nick and Dan! Thanks guys! Also assisting was one of our summer Teen Camp attendees, Elizabeth Brown! Thanks Elizabeth!

What's Been Happening This Week?

We had lots of help at the Annual Christmas on the Common Parade from Board members, Senior volunteers & club members! Thank you all! :-)
