News & Notes:

* This week we covered a presentation sponsored by E.B. Hope, E.B. Police and the E.B. Public School District entitled: "Community Discussion on Concussions, Injuries, Prescription Drug Abuse and the Opioid Epidemic". This important evening is a follow-up to last year's SportsSmart Program presented by Dr. Daniel Muse, Physician in the Signature Healthcare ER Dept. and director of the "SportSmart" program. The program will be playing shortly.

Training & workshops at EBCTV

Orientation

The Orientation covers all the rules & procedures for the facility, a question and answer period and tour of the facility. This course is a pre-requisite for any of the courses offered below.

Basic Field Production

Learn how to use an HD video camera; lighting; sound equipment and how to use special microphones.

Basic Studio Production

Teaches the fundamentals of Basic Television Studio Production on our state-of-the art equipment! Learn how to operate a studio camera; how to direct a TV Show; studio sound equipment; microphones and graphics.

Adobe Photoshop

Learn all the tricks to manipulate digital photos. Students may bring in their own digital photos or regular photos (which can be scanned) and have hands-on activities with the computer.

Computer Editing Classes

Individual classes are now available on a regular basis to all EBCTV members by appointment with the instructor. We offer training on Apple computers utilizing Final Cut Pro, Soundtrack Pro and Motion Graphics.
